

Waters Edge Homeowners Association Procedures

To Facilitate ACB operations we request the following:

1. All forms are available from our web site or from the ACB Committee members.
2. All forms for ACB consideration must be submitted through the ACB Committee
3. All project plans and documents must be submitted in duplicates.
4. All projects must include site plans showing project locations, dimensions, appropriate setbacks, and complete material description where applicable.
5. Drawings and/ or photographs are appreciated.
6. When county permit is required, permit must be obtained prior to construction.
7. The ACB will meet monthly to review all submissions. We, the ACB shall notify the requestor of the results in a timely manner.
